

COVID-19 update

So here we go again!! Hopefully, not for as long this time.

Thank you so much for all your continued support. Since reopening in July, we have been incredibly busy, and we'd really like to thank all those who have booked and stayed with us.

North Norfolk, in our opinion, remains a very safe part of the country and with all of the Covid-19 procedures we have in place, we have managed to keep our team and our guests safe.

We hope to see you all again soon and will continue to take bookings for December (up until 2nd January) and then for the 2021 season from mid-March. No deposits will be taken for December bookings.

We are very happy to amend dates for those of you who have bookings in November. The office will continue to be open 9-5, Monday - Friday.

This is an evolving situation so we will keep you updated. We look forward to things returning to normal and welcoming you all back soon.

With very best wishes from the whole OBK team – please stay safe!
